COMPETITIONS GUIDE

MEMBERSHIP AND PLAYER REGISTRATION

As you may be aware, we will be using the Just Go platform to handle our individual and memberships from next season. This platform will make it easier to view and manage your players, enable us to offer additional membership benefits such as money off at hundreds of retailers across the UK and enable us to further grow our membership base.

Clubs must register with us via a club membership to ensure we have up-to-date club contact details. Your club administrator will be receiving information in the next few days about how they can register their club from the beginning of August for the 2022/23 season.

To renew your club membership you must have the following in place:

- Club email account
- Report last season's club membership statistics to British Dodgeball
- A local training venue open to members of the community
- Appointed safeguarding officer with recommended safeguarding training
- A safeguarding policy & a data protection policy
- One British Dodgeball Level 2 qualified coach (minimum)
- A club bank account with at least 2 signatories
