COMPETITIONS GUIDE

Welcome to our Competitions Guide for the 2023/24 season. We have worked hard to provide you with the guide as early as possible this year. With that in mind please note that not all venues and dates are booked so please don't consider them to be 100% confirmed until they appear on the British Dodgeball website.

Entry fees for all opens and leagues will be confirmed during the summer. Price increases may be necessary based on rising costs of venues, equipment and referees. We will do our best to keep any increases minimal.
